Environmental Policy Statement

Principal Security Consultants Limited is a leading UK provider of security services in the commercial, industrial, and retail sectors. We seek to minimize the impact of our operations on the environment by the pursuit of good business practices and by fulfilling our legal obligations.

Our strategic objective is to provide a coherent framework of good environmental practice within each of our operating sites. Our Environmental Management System is documented, implemented, and maintained and communicated to all employees. Where we are operating on client sites, we will work with their Environmental Management Representative in achieving shared goals and objectives in line with the client's own systems.

Principal Security Consultants Limited pledges to implement and operate the Environmental Management System to further enhance environmental performance. Our main operational objectives and commitments are to:

- Understanding each site's legal obligations and ensure compliance.
- Design and implement environmental management systems to enable the reduction, reuse and recycling of general waste and packaging materials.
- Help our clients to improve energy efficiency and reduce energy waste
- Take all measures to prevent pollution.
- We are committed to the process of continual improvement.
- We are committed to meet or exceed relevant environmental legislation, regulations and other requirements

This policy will be communicated to all parties interested in the performance of our environmental management system, including the public.
